But it's not like you're giving birth to a baby...

It'll be some-thing embar-rassing!

And it's not pee, either.

I'm sure it'll be some-thing cute.

"Once one's body becomes able to bear, one can get mar-ried"

It's written in the angelic book.

I can't ever get married now!

You're so bold, Bottan!

IRC channel: #watakushi@irc.irchighway.net

Here's how you can increase the frequency of my releasing chapters of this manga:

- come to my IRC channel: 50% increase

- make the immigrant-sounding phrases out of the text to sound like real English: 50% increase

- clean the raws: 100% increase

- edit the text into the images: 100% increase

The increases are only estimations based on my own motivation. Much less motivated people may only be able to achieve a portion of these percents.
